

TXADONA State Conference

Empower Engage Enrich

September 25-26, 2024
Embassy Suites, Love Field
Dallas, Texas 75220

Welcome from TXADONA!

Welcome to TXADONA's 2024 State Conference. We have carefully planned this program to ensure that you have a great time. Our goal is to **Empower** you with a little more knowledge, for you to **Engage** with other LTC clinical leaders facing the same challenges, and to **Enrich** your experience through access to fantastic vendors with exciting products and services.

Joleann Beene, President

A handwritten signature in black ink that reads "Joleann Beene".

A Distinct Identity

Here at the Texas Chapter of the Association of Directors of Nursing Administration, we are driven to do our part in making the world a better place. Since 1990, we have taken part in a wide range of activities that empower individuals and communities. We strive to build productive relationships and make a positive impact with all of our pursuits. Are you ready to join us and create real transformation in the lives of so many?

The mission of TXADONA is to be the leading professional organization for current and aspiring nursing leaders through professional development, board certification, and clinical expertise related to the promotion of health and wellness of individuals in the long term care and post-acute care continuum.

Session Course Codes

To evaluate sessions, please use the codes you received during each presentation. We have provided each session that is eligible for CE below and a space has been provided for you to enter your codes. Be sure to keep up with the brochure as the codes are only given once verbally and the slide with the code will only stay on the screen for a brief time.

1. The first part of the code will be provided by the moderator the beginning of the presentation and will be displayed on the speaker title slide. (please note that this slide will only be available during the presentation and will not appear on the power point)

2. The second part of the code will be displayed on the last slide of the session (please note that this slide will only be available during the presentation and will not appear on the power point)

3. The combination of the two sides (first 3 and second 3 numbers/letters) separated by a hyphen with no space will be the complete code needed to evaluate each session.

4. Each session will have their own independent code. Example: **SJT-B4R**

	<u>First Part</u>	<u>Second Part</u>
<u>Wednesday, September 25</u>	SJT	B4R
E-Cubed Becky Bermudez	_____	_____
Empowering Staff through QAPI Cindy Fronning	_____	_____
Engaging Staff through QAPI Cindy Fronning	_____	_____
Enriching Staff and Residents through QAP Cindy Fronning	_____	_____
